

NORTHERN CALIFORNIA GEOLOGICAL SOCIETY

GEOSCIENCE TEACHER AWARD - \$500

Application Form 2010-2011

Name _____

School _____

Email/telephone _____

TITLE OR TITLES OF UNITS TAUGHT OR TO BE TAUGHT DURING SCHOOL YEAR 2010-2011. Attach a separate page description of each unit. Include in the description(s) the dates taught or to be taught. The description may be free form except that there should be a statement of objectives and evidence, where relevant, of correlation with the State Science Framework. There should be some consideration of ongoing benefits to the curriculum, possible integration with other course work, and usefulness to other faculty. Closing date for receipt of the application is **January 17, 2011**. Applicants will be notified within a week thereafter and the award will be presented at the **February 2011** meeting of NCGS in Orinda.

PROPOSED USE OF AWARD

Principal's Signature of Affidavit: _____

Send application to:

Paul Henshaw

Chair, K – 12 Geosciences Education Committee

Northern California Geological Society
