

NORTHERN CALIFORNIA GEOLOGICAL SOCIETY

2010-2011 NCGS UNDERGRADUATE SCHOLARSHIP

The NORTHERN CALIFORNIA GEOLOGICAL SOCIETY is pleased to announce the availability of scholarships to support undergraduate-level student research in geology during the academic year 2010-2011.

\$ 500 will be awarded to students working towards completion of a Senior Thesis and/or Honors Research Program

This scholarship will be awarded competitively based upon our review of submitted summaries of proposed research. Funds are intended to support field and laboratory components of research programs. The research must be scheduled for completion during the 2010-2011 academic year. Winners may be invited to speak or otherwise present their research at a regular evening NCGS meeting in Orinda, California.

The Northern California Geological Society may award more than one undergraduate scholarship.

Funding priority for this scholarship will be directed to research focused on topics in general geology, geologic mapping, structural, economic, engineering and/or environmental geology, stratigraphy, paleontology or paleoecology implemented in northern California or in states immediately adjacent to northern California.

Application Procedure

Candidates may apply by forwarding a signed cover letter on department letterhead requesting the award, accompanied by a brief (no more than 2 pages) summary of the proposed research topic. The cover letter must include candidate's contact information (both departmental and home mailing addresses, telephone numbers and e-mail addresses). The bottom of the candidate's letter must bear the completed note:

Degree Program _____ Approved by _____ (printed) _____
Title _____ Telephone _____ e-mail _____ date _____

with the signature and printed name, title, telephone and e-mail of the department chair person or thesis advisor to show that the recipient has department approval to receive the award. **No other application is required.**
